Our warehouse provides pick & pack services to create kitted merchandise and packages for clients, agencies, and retailers. Let us handle your next fulfillment project and eliminate the worry, hassle and expense of handling this chore internally. We will warehouse your product, handle, pack and ship your fulfillment orders for you.

Whether you need kitting of 20 or 5000 kits, Boss Promotions will customize the packaging or kitting of your materials for maximum consumer appeal and distribution efficiency. Our kitting process insures the assembly and packaging of your products is maximized to achieve the lowest labour and packaging costs.
